TA Consultation & Coaching: Start Up

TA Consultation & Coaching: Start Up will provide support to #field_1 at child care centers and family child care homes until the initial temporary license is achieved. Technical Assistants will provide consultation and coaching in creating quality licensed spaces to meet a documented need for full-time childcare in an area. There must be a signed agreement addressing the responsibilities of all involved parties both during the provision of TA on Start Up and plans for the following year after receiving TA on Start Up. Consultation and coaching will take place one-on-one or in groups and is done in person (virtual options are a reasonable response to environmental factors). All TAs must complete the Art and Science of TA training, the DCDEE Pre-Licensing Workshops and be familiar with the Pre-Licensing Guide to provide consultation and coaching towards licensure.
