Apprenticeship

Apprenticeship will provide support to #Field 1 working in childcare settings serving children birth to 5 years old while they are providing apprenticeship opportunities. Employers, pre-apprentices, and apprentices must register with ApprenticeshipNC. Participants in an apprenticeship program are paid employees. All apprenticeships include the following components: Progressive wage scale, on-the-job learning competency checklist under the guidance of a mentor, and related instruction provided by a subject matter expert. Pre-apprentices and apprentices receive in-person, on-the-job training at a childcare center while taking related classwork. Staffing requirements will vary.
