Parents As Teachers (PAT)

Parents as Teachers (PAT) is a home-visiting program for families with children prenatal to 5 years old. PAT will provide the following services in adherence to the Parents as Teachers National Center (PATNC) essential requirements: (1) Personal Visits, (2) Group Connections, (3) Referrals to community resources, (4) developmental screenings and a health review that includes a record of hearing, vision and general health status, and (5) #Field 1. Eighty percent (80%) of the target population will have at least one risk factor and be identified as most appropriate for PAT services in the community. The program will address each of the essential requirements as documented on the program's affiliate plan, which is updated every five years and be implemented to model fidelity as demonstrated by the program data reported on the annual Affiliate Performance Report (APR). #Field 2 will be used for data collection. Parent educators are PAT-trained home visitors with at least a high school diploma/GED and 2 years' experience working with young children and/or parents and must maintain their PAT certification. Parent educators require reflective supervision. One supervisor is required for up to 12 parent educators. The Supervisor must complete the Foundational and Model Implementation training.

#Field 1

- Adult Screenings will be offered
- Adult Screenings will not be offered

#Field 2

- Keys to Interactive Parenting Scale (KIPS)
- Parenting Interaction with Children: Checklist of Observations Linked to Outcomes (PICCOLO)
- Parents' Assessment of Protective Factors (PAPF)
- Protective Factors Survey
