TA Consultation & Coaching: Teaching Pyramid Observation Tool (TPOT) for Preschool Classrooms

TA Consultation & Coaching: Teaching Pyramid Observation Tool (TPOT) for Preschool Classrooms will provide support to #field_1 using evidence-based practices that promote the social, emotional, and behavioral development of young children in preschool classrooms. Technical Assistants will provide consultation and coaching using TPOT to measure classroom growth and teacher/child interactions related to early childhood mental health for the preschool years. Consultation and coaching will take place one-on-one or in groups and is done in person (virtual options are a reasonable response to environmental factors). All TAs must complete the Art and Science of TA training and successfully complete the TPOT reliability training.
