TA Consultation & Coaching: Teacher Pyramid Infant Toddler Observation Scale for Infant and Toddler Classrooms (TPITOS)

TA Consultation & Coaching: Teacher Pyramid Infant Toddler Observation Scale for Infant and Toddler Classrooms (TPITOS) will provide support to #field_1 using evidence-based practices that promote the social, emotional, and behavioral development of young children in infant and toddler classrooms. Technical Assistants will provide consultation and coaching using TPITOS, Pyramid Model to measure classroom growth and teacher/child interactions related to early childhood mental health for the infant and toddler years. Consultation and coaching will take place one-on-one or in groups and is done in person (virtual options are a reasonable response to environmental factors). All TAs must complete the Art and Science of TA training and successfully complete the TPITOS reliability training.
