TA Consultation & Coaching: GoNAPSACC

TA Consultation & Coaching: Go NAPSACC will provide support to #field_1 to improve the health of young children through practices, policies, and environments. Technical Assistants will provide Consultation and Coaching on the Go NAPSACC Implementation module(s) #Field 2. Consultation and coaching will take place one-on-one or in groups and is done in person (virtual options are a reasonable response to environmental factors). Technical Assistants will connect with the childcare program at least once a month. All TAs must complete the Art and Science of TA training, the free Go NAPSACC Consultant training and the Be Active Kids training.
