TA Consultation & Coaching: Child Care Health Consultant (CCHC)

TA Consultation and Coaching: Child Care Health Consultant (CCHC) will support #Field 1 who care for children birth to 5 years old. CCHCs work collaboratively with a regional CCHC Implementation Specialist to develop and document priorities and goals. A Child Care Health Consultant (CCHC) will use the North Carolina Child Care Health and Safety Assessment and Encounter Tool (NC HSAET). Consultation and coaching will take place in person (virtual options are a reasonable response to environmental factors). The CCHC must successfully complete the NC Child Care Health Consultant Training Course and receive a certificate.
