Triple P (Positive Parenting Program) - Level 5: Enhanced

Triple P (Positive Parenting Program) - Level 5: Enhanced is for parents/caregivers with children birth to 5 years old, providing intensive support for families with complex concerns. Participants must have already completed or be currently participating in Triple P Level 4 – Standard or Triple P Level 4 – Group. This activity will be delivered #Field 1. Practitioners will follow the Level 5: Enhanced curriculum. Participants will complete at least 3 and up to 8 individualized consultations lasting 60 to 90 minutes each. Each family will receive an Every Parent's Supplementary Module Workbook which includes one workbook for each of the four modules. Staff must be an Enhanced Triple P Accredited practitioner.

#Field 1

- In-person
- Virtually
- Via teleconference
- In a combination of in-person, virtual and teleconference options
