Home Instruction for Parents of Preschool Youngsters (HIPPY)

Home Instruction for Parents of Preschool Youngsters (HIPPY) is a Universal Home Visiting program for all parents/caregivers with children 2 to 5 years old. Core components for model fidelity include: The HIPPY curriculum, Role Play, Coordinators and Home Visitors, and Home Visits and Group Meetings. Home Visitors will use the HIPPY Curriculum to engage families in specific subject areas and lead participants in Role Play activities. Home Visits take place in-person, and last 1 hour, once a week for 30 weeks and up to 3 years (while the child is 2-5 years old). Retention is the primary indicator of quality and completion. Participants must remain in the program for 26 weeks for the program to be considered complete. Families alternate between home visiting and group meetings. Group Meetings take place at least 6 times a year and will be #Field 1. For each year of curriculum, the families will receive 30 weeks of activities, 9 storybooks, and 20 manipulative toys. Coordinators must be trained by HIPPY US and then coordinators will train home visitors.

#Field 1

- In-person
- Virtual
- Multiple groups will be offered some will be in-person and others virtual
