Psychological and Mental Health Services

Psychological and Mental Health Services are provided for uninsured and underinsured #Field 1. Psychological and Mental Health services are delivered dependent on the mental health professional's policy, as needed, with a qualified, licensed psychological and mental health professional for medically defined preventative or responsive care.

#Field 1

- Children birth to 5 years old
- Pregnant people
- Parents of children birth to 5 years old
- Multiple people being served, some children b-5, some pregnant people and others, parents of children birth to 5.
